

April 23 2017 --- Benchrest Rifle Club of St. Louis--- VFS and Hunter Score Match

Jeremy Mataya wins Varmint for Score

Paul Hon wins Hunter Class

Mark Gizzie wins Factory Class

We had a pretty good day as far as temperature goes but more wind than we all really wanted. And the switching head wind later turned into a switching cross wind with varying velocities, a tough day for all. The mirage at 200 yards was at a point that seeing the scoring lines was nearly impossible. We really do thank those that drove a long distance and welcome back competitor Jeff Ditto. And we appreciate having a Junior competitor Dillon Odom.

Shooting out of class

Dillon Odom (7 years old) was shooting his first match and shot 208-1X which is a really good score for a youngster of his age!

Thanks to all for coming out, hopefully we have some better conditions next match which will be on Sunday May 7 at 9 AM.
