

March 12 2017 --- Benchrest Rifle Club of St. Louis--- VFS and Hunter Score Match

Mike Schneidman wins Varmint for Score

Jerry Kloeppeel wins Hunter Class

Mark Gizzie wins Factory Class

What a day we had for a match, winter time resumed a few days ago, so we started the match at about 28 Degrees and the wind started increasing immediately. By the time we finished 200 yards most competitors were holding near the red outer ring. The wind started in the morning from the right but later we had it from the right and even a headwind at times. The cold temperature kept a lot of fair weather shooters away so we only had 12 competitors. We truly do appreciate those that drove a long distance to brave the temperature. We also want to welcome new shooter Mark Gizzie.

Varmint For Score
